

Westminster Redistricting 2021 Public Participation Kit

Total Population by Area

Each number indicates the total population of that "population unit" area. Each district must have essentially equal population.

For a four district map, each district should have approximately 22,771 residents.
For a five district map, each district should have approximately 18,217 residents.

Please use a thick dark-colored pen to draw your map, then submit it at City Hall or by email to districts@westminster-ca.gov. You can hand-deliver, mail, fax, scan and email, or photograph and email your map.
